

AMENDED IN SENATE JULY 1, 2008

AMENDED IN ASSEMBLY APRIL 7, 2008

CALIFORNIA LEGISLATURE—2007–08 REGULAR SESSION

ASSEMBLY BILL

No. 1846

Introduced by Assembly Member Adams

January 28, 2008

An act to amend Section 19315 of the Food and Agricultural Code, relating to inedible kitchen grease.

LEGISLATIVE COUNSEL'S DIGEST

AB 1846, as amended, Adams. Inedible kitchen grease.

Existing law regulates transporters of inedible kitchen grease, and requires those transporters to be registered. Existing law also authorizes the Department of Food and Agriculture to assess an additional fee on transporters of inedible kitchen grease, as specified, for purposes of administering the provisions regulating these transporters. ~~Other provisions of existing law make violations of these regulatory provisions a misdemeanor.~~

This bill would exempt from ~~the~~ *that* additional fee transporters of inedible kitchen grease who transport inedible kitchen grease for their own personal, noncommercial use as an alternative fuel, ~~provided that no more than 50 gallons of inedible kitchen grease per load may be transported for this purpose, these individuals shall not sell, barter, or trade any inedible kitchen grease, but would require those persons to pay an additional fee of \$75 per year per vehicle that is used to transport inedible kitchen grease and provided that would require these individuals meet other requirements, as specified.~~

~~By proscribing certain conduct of certain transporters of inedible kitchen grease, the violation of which is a misdemeanor pursuant to existing provisions of law, this bill would impose a state-mandated local program.~~

~~The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.~~

~~This bill would provide that no reimbursement is required by this act for a specified reason.~~

Vote: majority. Appropriation: no. Fiscal committee: ~~yes-no~~. State-mandated local program: ~~yes-no~~.

The people of the State of California do enact as follows:

1 SECTION 1. Section 19315 of the Food and Agricultural Code
